

TAKE IT OUTSIDE

Beautify your home's exterior and make the most of outdoor spaces

COOK UP A COMBINATION

Personalize your outdoor living space with the luxurious Oasis™ Modular Islands. This collection can be assembled in virtually any combination to suit your individual needs and includes full cabinets, plus refrigerator and utility cabinets, as well as a garbage dispenser, paper towel holder and a variety of drawer units. All cabinets are 35 inches tall and 24 inches deep with four leveling feet for easy adjustment on any surface.

AN AFFORDABLE ALTERNATIVE

Molded after natural stone, and virtually indistinguishable from the original, stone veneer is a durable, lightweight exterior wall finish, available in many styles and colours. It can be installed in combination with all traditional exterior materials, giving your home a custom-built look at a surprisingly affordable price. Ease of handling allows many homeowners to successfully install it themselves, adding to already substantial savings.

THE SANDS OF TIME

Halton stone is one of the most beautiful sandstones in the world. It's available in a multitude of colours to please all tastes, with its price being its best feature. Halton stone is a great product for patios, walkways, driveways, pools and steps. To see this fantastic stone, visit one of Canada's largest outdoor displays at Beaver Valley Stone, 25 Langstaff Road East, on the southeast corner of Yonge Street and Highway 407.
